FLEET SAFETY LETTER 01052024.GEN  
1 MAY 2024

Re: Processing Fee Increase.

Applicable to: This FLEET SAFETY LETTER should be brought to the attention of ship-owners, ship managers, operators, Masters of Vanuatu-registered ships and Recognized Organizations

Due to an increase cost of materials supplies there will be an increase of the processing Fee to \$45.00 effective 1 May 2024 which will include a QR Code for verification purposes on all electronic copies issued in the pdf format of any document by VMSL.

The reason for the QR Code on electronic copies is to shield the vessel from PSC issues regarding validity of electronic copies until the originals are placed aboard in accordance with our long standing FSL 121718.GEN
